*The Dinner Meeting is opened with a Salute and Pledge to the Flag of the United States and an Invocation to Remember this is also VETERAN'S DAY.
The 11th Hour, the 11th Day, the 11th Month, 1918 was originally designated as ARMISTICE DAY to honor the contributions of the Veterans of World War One.
In 1954 Congress re-designated the day as VETERANS DAY to honor the Veterans of all wars that we were, and will become, engaged in.*
